International Green Gown Awards 2021
Headline Support Package

12 months of influence and value as the International Green Gown Award Headline Partner

As the International Green Gown Award Headline Partner you will have the unique opportunity to work closely with Award winners and other sector leaders. The year long Awards cycle presents the chance to share thought leadership from our International Finalists with UN Environment’s global network through webinars and events. Support provides a unique opportunity to associate your brand with global-impacting sustainability innovation from universities, colleges and students.
